WELCOME TO A SPECIAL EDITION OF FAMILY COMPUTER NEWS  
published by Family Computer USA, Naples, Florida

If you have received this newsletter by mistake or do not wish to receive it in the future, then we apologize. Please email us with details at [support@familycomputerusa.com](mailto:support@familycomputerusa.com)

#### NEW OWNERSHIP

We are pleased to announce that Eric is now the proud owner of Family Computer USA! Herb is retiring and will be concentrating on IT Academy, his career skills school in Ft. Myers. Eric will continue to provide computer technical services and sales from Naples.

The offices at 3652 Tamiami Trail N. (behind Mel's) will be closing in May when our lease runs out. Eric will be moving Family Computer USA to North Naples.

Eric's company, Vontronics, will be doing business as Family Computer USA and will be assuming the warranties on Family Computer USA computer systems. Our phone number will remain the same.

As a special offer during the new ownership, Vontronics will provide free pickup and delivery of your computer when you need repairs or upgrades. Just call to set an appointment.

Family Computer USA has been in continuous operation since 1995. Eric had been operating Vontronics prior to Family Computer USA and is confident of providing the same excellent service. We can repair and upgrade your personal computers. We can install new hardware and software and provide training onsite for you. We can install, repair and upgrade your small business or home office network.

If you have any questions, comments, suggestions, or complaints please contact Eric. We want to continue to provide the best service for you and we are always open to improvement. Eric's personal email is [evonleue@yahoo.com](mailto:evonleue@yahoo.com). His personal 24-hour cell phone is 239-450-6323. (And his favorite coffee is Eight O'clock French Roast!)

If you have any friends that you would like to recommend to us, we would appreciate it. Just forward their email information to us and we'll add them to the regular newsletter emailing.

Keep dry during the upcoming summer storms, keep your system protected from lightning surges and thanks for reading.

Welcome to the new Family!

Eric Von Leue
